Steel Conveyor 6" Roller Center 24 In. x 120 In. 1400 Lb. Capacity Blue

MODEL CONV-0624-120

Ergonomic Solutions / Gravity Roller Conveyor System

PRODUCT OVERVIEW

Are you drained from constantly lifting heavy boxes? Are you looking for a simple transition from workstation to workstation? Is that a yes? Then check out our roller conveyors! With a conveyor, the hard work is done by the individual rollers. The lightest of touch or push will simply assist the item to glide over the rollers and down the conveyor. Rollers are secured to a steel channel border. This conveyor is to be permanently installed into each work area.

KEY FEATURES

- Welded cross bracing
- Spring loaded axle
- Frame built of 10 gauge steel
- 1.9" roller diameter
