

Steel Fork Truck Level 9-1/4 In. x 2-5/8 In. x 5-1/16 In. Yellow/Red

MODEL FRK-LVL

Fork Truck Attachments / Fork Leveler

PRODUCT OVERVIEW

Designed to aid the fork lift driver in determining when the forks are level. Unit reduces the risk of damaging or piercing product when removing it from pallet racking. Fasten the steel leveler to the mast of the fork lift. While tilting the forks to the desired angle, the fork leveler will tilt as well, showing that the forks are not currently in a horizontal position. When forks are moved back into a safe level angle, the leveler will be perfectly horizontally.

KEY FEATURES

- Constructed of steel for long lasting strength
- Saves potential product loss
- Highly visible, indicating safe precise movement
- The mast must be a minimum of 6" and be flat, smooth, & clean to mount
