

Steel Intermediate Bulk Container Tilting Cart 53-3/8 In. x 35-13/16 In. 4400 Lb. Capacity Yellow

MODEL IBC-TLT

Drum Handling Equipment / IBC Tilt Stands w/ Fork Pockets & IBC Tilting Cart

PRODUCT OVERVIEW

The intermediate bulk container tilting cart is built with a sturdy steel construction which provides a secure tilting of containers for complete draining. To use, simply place the container on the cart. When the container is in the secure position, start the draining process. As the fluid flows from the container, the rear of the cart will rise creating an angle for a better release of fluids. The cart rolls on casters for smooth transition from workstation to workstation.

KEY FEATURES

- Ergonomic handle for upright push position
- Rising design as weight diminishes
- Strong construction for daily use
- Highly visible yellow finish
