Steel 7 Step Modular Style Stairway Top Step 48 In. 1,000 Lb. Capacity Blue / Yellow

MODEL STAIR-48

Industrial Ladders / Modular Style Stairways

PRODUCT OVERVIEW

Attractive modular style stairways are economical and easily assembled. Steps are 36" wide with non-skid grip strut steps for extra grip, which bolt in place and are baked-in powder-coated toughness. Standard climb angle is 31 degrees. Customer must provide their landing height at time of purchase. Handrails and side rails bolt together. The handrail tubing has a powder-coat yellow finish. Units meet OSHA requirements and unit ships disassembled. Concrete anchoring hardware available.

KEY FEATURES

- Strong steel construction
- Brightly colored, highly visible handrails
- Serrated steps for extra grip
- Wide step design for simple transference of awkward sized objects
