MODEL VSC-SSC-227

Storage Solutions / Bin Storage Cabinets

PRODUCT OVERVIEW

The bin storage cabinet is designed for high density storage and organization of parts. This cabinet offers easy accessibility to contents while maintaining cleanliness and security. Bins are made of a durable polyethylene with molded-in back hook for secure hanging. Front edges are lowered for better visibility and easier part picking. When not in use bins can be stacked on shelves, worktables, carts, or other flat surfaces. Comes standard with padlock handle (padlock not included).
