Steel Pramac 12 Volt Battery Powered Fixed Fork Stacker 72 In. x 33-1/2 In. x 88-3/4 In. 2500 Lb. Capacity Blue

MODEL PMC-S-FF-137

Ergonomic Solutions / Electric Stackers (Pramac)

PRODUCT OVERVIEW

The self-propelled electric stacker is great for distribution and shipping facilities. The unit raises and moves products from work area to work area, with ease. A bright finish allows the units to be visible to other personnel, both near and far. The unit is constructed of steel for strong, durable use on a daily basis. To use, simply slide the forks under the preferred products and lift to the desired height and maneuver to the chosen location.

KEY FEATURES

- Steel construction for strong stability
- Blue finish
- Brightly lit battery notification
- Forks for lifting skids and baskets
