Steel Forks 42 In. Long For Counter Balanced Powered Lift Models Black

MODEL S-2CB-42-FK

Ergonomic Solutions / Counter-Balanced Powered Drive Lifts

PRODUCT OVERVIEW

The long forks are the perfect accessory for the powered stacker. Forks can easily be put to use in a matter of minutes with the stress-free attachment. Although designed to be utilized with oversized items, the forks perform great with packages of any size. A one piece construction and reliable surface of the fork reduces the chance of damage during transport.

KEY FEATURES

- Simply attachable to new or existing units
- Smooth surface minimizes product abrasion
- Capacity for model S-CB-62: 500 lbs; S-CB-118: 250 lbs
- Long design enables lifting of oversized pallets
