Steel Forks for Stackers 42 In. Length 500 Lb. Capacity Black

MODEL S-CB-42-FK

Ergonomic Solutions / Counter-Balanced Powered Drive Lifts

PRODUCT OVERVIEW

During a work day, a variety of jobs can arise. This can lead to a need for a variety of attachments. When working with different sized items, a need for a set of forks other than the standard is sometimes needed. A set of 42” forks that can attach to a compact stacker quickly and works well in small congested areas. Forks are constructed of steel for consistent long term daily use. Powder coated finish for added built in toughness.

KEY FEATURES

- Secure connection to lifting device
- Simple attachment for immediate use
- Sleek finish to limit abrasions
- Design minimizes manual lifting
