Plastic Tool Balancer 1 to 3 Lb. Black

MODEL TBR-1

Facilities Maintenance / Tool Balancers

PRODUCT OVERVIEW

A tool balancer is the economical choice for balancing heavy tools. The molded plastic housing has a smooth exterior with rounded edges for maximum ergonomic convenience. Hand wound spring tension adjustment knob is flush with the housing. Push-button tension release simplifies decrease in tension. Adjustment screw adds drag to spool for fine tuning of tension. Rugged steel upper swivel hook. Oversized cable opening with direct in-line pull to reduce cable wear. Adjustable cable stop and lower safety snap hook. Spring operation - no electricity needed.

KEY FEATURES

- Smooth exterior with rounded edges for ergonomic convenience
- Push-button tension release simplifies decrease in tension
- Adjustment screw adds drag for fine tuning of tension
- Cable opening with direct in-line pull to reduce cable wear
