MODEL TRS-2429-DH

Industrial Carts & Dollies / Low Noise Steel Platform Trucks

PRODUCT OVERVIEW

The steel platform cart is a great addition to the shipping and distributing facilities. The steel platform creates a durable, yet lightweight construction that can be transferred simply from workstation to workstation. The unit rolls on casters for smooth transference over a variety of terrains. The double handled design creates a more ergonomic posture of personnel during use.

KEY FEATURES

- Steel construction for durability
- Casters for smooth rolling
- Attached handles create a more ergonomic posture
- Double handle for transferring from both sides
