304L Stainless Steel Hydraulic Hand Pump Pallet Jack 27 in. X 45 in. 3,300 Lb. Capacity Silver

MODEL ULM-PM-2745-30

Ergonomic Solutions / Stainless Steel Pallet Trucks

PRODUCT OVERVIEW

The Stainless Steel Hydraulic hand pump pallet jack is a superb addition to the food handling and other hygienic environments. The 304L stainless steel construction including hydraulic cylinders and piston, is not only strong, but also simple clean with its open fork design for thoroughly detailing the unit before/after transferring products. The height of the ergonomically friendly handle diminishes slouching and can be rotated for simple maneuvering of products down narrow corridors and pathways. All bearings are sealed for waterproof protection during both use and cleaning.

KEY FEATURES

- Open construction enables simple cleaning
- Hand pump design is great for precise positioning
- Promotes ergonomic posture
- Waterproof for use in wet areas
